

CHINA TECHNICAL SERVICE CENTER DENTON AND ULTITECH

Dr. David Stein, President & Chief Executive Officer of Denton ATD, Inc., and Dr. Jerry Wang, President of UltiTech Corporation, have jointly announced that the Denton & UltiTech Technical Service Center in China will start providing its services to customers in China on February 1, 2008.

Equipped with Denton's proprietary dummy load cell calibration equipment, the Denton & UltiTech Technical Service Center in China is capable of providing calibration service for all dummy load cells manufactured by Denton as well as other suppliers. All calibration engineers in the Service Center were trained and certified by Denton. The service center is compliant with Denton's Global Quality Standard and monitored by Denton through its Global Calibration Lab Quality Management System. In addition to providing dummy load cell calibration services, the Service Center also stores typical dummy spare parts.

The Denton & UltiTech Technical Service Center is located in Beijing. For more information, please call (010) 50893530 or send an email to TCSCChina@ultitechcorp.com

DENTON & UTC 中国技术服务中心

David Stein 博士（美国 Denton 公司总裁及首席执行官）和
王志起 博士（美国 UTC 公司总裁）联合宣布：

Denton & UTC 中国技术服务中心将于 2008 年 2 月 1 号开始给客户提供服务。

本中心配备 Denton 专有的假人力传感器标定设备， 可以为中国用户提供所有 Denton 制造的假人力传感器标定， 同时可以为其他供应商制造的假人力传感器提供标定。 所有在服务中心的标定工程师 都通过 Denton 的培训和认证。本服务中心和 Denton 全球服务中心采用完全统一的质量标准， 并由 Denton 全球标定实验室质量管理部门持续监控。除了提供假人力传感器标定外， 本服务中心同时库存有假人的典型备件。
